Disclosure of Physician Ownership

Baylor Medical Center at Uptown meets the Federal definition of a physician-owned hospital, and a list of the hospital's owners that are physicians (or their immediate family members) is available upon request. Radiologists are independent contractors, not owners or employees of **Baylor Medical Center at Uptown**.

Baylor Medical Center at Uptown is committed to providing clinical excellence in a safe, attractive environment for you and your family members. We are proud that many of the physicians who practice here have chosen to have ownership in this hospital. Their ownership enables them to have a voice in the administration and policies of our hospital. This involvement helps to ensure the highest quality of care for you.

If you have any questions concerning this notice, please feel free to ask your physician or the Chief Executive Officer at *Baylor Medical Center at Uptown*.
